

## Removable Adhesive Black Chalkboard Vinyl

**Product Description:** The 5 mil Black Chalkboard Vinyl is offered with a Repositionable Microsphere adhesive on a 92# liner. It is treated to accept chalk and is cleaned using an eraser or cloth. Liquid chalk is Not compatible.

The chalkboard film is perfect for classrooms, dorm rooms, restaurants, kitchens, offices, playrooms and more.

The reusability of the chalkboard film will help cut down on waste you'd get using standard products like paper sticky notes.

### FACE DATA: 5 Mil Black Chalkboard Vinyl

Unique matte black vinyl accepts standard chalk. Good for use in classroom, dorm rooms, home and office. Liquid chalk is Not compatible.

### LINER DATA: 92# Poly Coated (tight release)
